### Student Membership Application

The IONC is pleased to offer a Student Membership, valid for 12 months from the time of application. This membership includes access to all IONC newsletters as well as the Natural Medicines database, a benefit included with our full professional membership.

Natural Medicines is a highly popular online resource which offers healthcare providers high quality, evidence based information about complementary and alternative medicine including dietary supplements and integrative therapies.

I would like to apply for student membership (Cost \$50 + tax = \$56.50) \_\_\_\_\_ (check)
